***Your child has been selected by our staff to compete as a MelRoe's Star Tumbler  
in NAC this season!!***

**What is NAC?**

The *National Acrobat Competition (NAC)* is a local competitive tumbling league that gives tumbling athletes a chance to perform their tumbling skills outside of class.

**MelRoe's Star Tumblers**

The "*Star Tumblers*" are a group of MelRoe's tumbling students (chosen by our staff) that will represent our studio in the *National Acrobat Competition* this season during the Fall - Winter Semesters.

**About Competition**

We consider participation in competitions not simply part of our student's training as tumblers; it's also an important part of how we influence them as people. With the right focus, the experience gained in competition can be an excellent source of self-confidence. If the student feels good about the performance and understand that they become better each time they go out to compete, they are truly growing through the competition experience. Doing the best they can is what it's all about. Whether they win (or which award they win) is secondary! We believe this will be an experience that will help your student grow in their technique and become tumblers. They will also bond a team and build friendships that will last forever! Our staff wants competition to be a very POSITIVE and REWARDING experience for each student!

**Parent Information Meeting**

There is a **Parent Information Meeting on Wednesday, September 17<sup>th</sup> at 7:30 pm** for all parents whose students are interested in participating in NAC. At this meeting, an NAC Information Packet will be passed out with all the information about being a MelRoe's Star Tumbler.

*Please turn this bottom portion back to the office by September 10<sup>th</sup>.*
